Application Process

A complete application requires a letter written by the student applicant, a resume, current transcripts and two letters of recommendation. All information must be submitted electronically to: Eric Polson, P.E. Golze Scholarship Chairman, polsonengineering@earthlink.net. Please contact Eric with questions via e-mail or at 916.801.6290

The student's letter should include a discussion of career goals upon graduation, service to the ASCE Student Chapter and goals for future service to the Civil Engineering profession. Additional information may include community service and extracurricular activities. A minimum GPA of 2.0 is required. If the student has graduated with a BSCE and has a letter of acceptance from a Civil Engineering Graduate level program that letter must be provided. Financial need information is not considered and should not be included. The letter must include an e-mail contact, mailing address and current phone number. The two letters of recommendation must include one from the ASCE Student Chapter advisor a second from another professor within the Civil Engineering department. Both letters of recommendation must be submitted directly to Eric Polson via e-mail. The student shall submit all information in one PDF file no larger than 5MB. The transcripts must be current and may be an unofficial copy.

Complete Applications are Due Sunday March 18, 2018

Selection and Presentation of Scholarships

The selection of applicants and amounts are determined by the Golze Scholarship Fund Trustees. Students receiving Golze Scholarships will also be recognized in ASCE publications.

Scholarships will be awarded at the ASCE Awards Banquet in Sacramento April 12, 2018.

Students attending the banquet receive a complimentary dinner.
