2017-2018 SACRAMENTO SECTION OFFICERS BALLOT

Please vote for one person for each office (write-ins accepted) and return this ballot to the ASCE Sacramento Section by August 31.

Place an "X" in the box to denote your vote.

Return your ballot to ASCE via: Email (scanned) asce@asce-sacto.org or mail to the address above. Please include your ASCE Membership Number _____. Call ASCE at 1-800-548-2723 for assistance.

PRESIDENT-ELECT

Michael Konieczki, PE, M.ASCE

Mr. Konieczki is a Senior Engineer with David Ford Consulting Engineers, Inc. As an active member the American Society of Civil Engineers for over 10 years, he has recently served as President of the Sacramento Section Younger Member Forum (YMF). For the last 3 years, he has been the hydraulics review instructor for the YMF's biannual PE review course. He holds a Bachelor's degree in Civil Engineering from the University of Michigan, and a Master's degree in Environmental and Water Resources Engineering from the University of Texas at Austin.

Write-In Selection: _____

(ASCE membership must be current; verification required)

EXECUTIVE DIRECTOR

For information only, the two-year term Executive Director position is non-electable this year.

Marie Silveira, PE, M.ASCE

Ms. Silveira has been actively involved with ASCE in the Sacramento area for the past 10 years. She has held several ASCE positions including: YMF Vice President, President, and Executive Director, 2013 WRYMC Social Chair, Sacramento Section Jr. and Sr. Director. As Executive Director, she continues to bring more attention to the Project and Individual Award banquets, and makes the events fun opportunities for networking. Professionally, she has worked in the Civil Engineering industry for 13 years providing site civil engineering design solutions for clients in the private, municipal, state, and federal sectors.

SENIOR DIRECTOR

For information only, the Sr. Director is the second of a two-year term transitioning from the Jr. Director position therefore a non-electable position.

Tony Quintrall, PE, M.ASCE

Mr. Quintrall will be the Senior Director of the ASCE Sacramento Section 2017-18. He is originally from the Sacramento area and has achieved both bachelor's and master's degrees from CSU Sacramento. He's had the opportunity to work on projects throughout the country, from Hawaii to Washington State, gaining valuable experience and getting exposed to a wide variety of clients and challenges.

JUNIOR DIRECTOR

VACANT
POSITION

POSITION DESCRIPTION:

Junior Director is a two year commitment with the second year serving as Senior Director. The primary responsibilities of the Junior and Senior directors are organizing the Project Awards banquet in the Spring and the Individual Awards banquet in the Fall.

Write-In Selection: _____

(ASCE membership must be current; verification required)

SECRETARY

Dr. Ben Fell, PhD, PE – CSU, Sacramento (Incumbent)

Dr. Fell is the current Sacramento Section Secretary and was called as the Chair of the Department of Civil Engineering at Sacramento State in June 2015. Dr. Fell earned a B.S. from Rensselaer Polytechnic Institute, an M.S. from Stanford University, and a Ph.D. from U.C. Davis. Dr. Fell is a registered Professional Engineer in California, an advisor to several student engineering chapters, past member of the Faculty Senate Executive Committee, and past Chair of the College Academic Council. In addition to the strong support of his peers, Dr. Fell brings to this position experience as a leader and a mentor, and will be a strong asset in bridging the gap between industry and students.

Write-In Selection: _____

(ASCE membership must be current; verification required)

TREASURER

Jafar Faghieh, PE (Incumbent)

Mr. Faghieh has been active as Treasurer in the American Society of Civil Engineers since 2014. He has more than 17 years of experience as a civil engineer, specializing in water resources planning and management. His experience includes water resources planning, flood management, and project management. Mr. Faghieh earned a B.S. from UC Davis, and a M.S. in Civil Engineering from UCLA. He is also a registered Professional Engineer in the state of California and enjoys running, reading, and spending time with his wife and son.
