Subject: Endorsement of Mr. Robert D. Stevens  
ASCE President Elect

Dear Colleagues:

The CI Sacramento Section Board met on March 28, 2013, and voted to endorse Mr. Robert D. Stevens for ASCE President elect. Mr. Stevens has over 45 years experience in our industry, and has been active at ASCE serving in several capacities including reviewer of “Destination 2025: The Road Map to Achieve Vision for Civil Engineering in 2025”, member of Board of Direction, and chairing committee on Technical Advancement. Mr. Stevens is an advocate of the Construction Institute, and will be a key contributor to advancing our profession including the Construction Institute. Mr. Stevens holds a PHD and MSCE from the University of Michigan, and a BSCE from the University of Akron. Mr. Stevens resides in Keller, TX, and has been married to his wife Bonnie for 47 years.

Thank you for your support and endorsement of Mr. Robert Stevens for President elect of ASCE.

Sincerely,  
ASCE Construction Institute, Sacramento Section

Louay M. Owaidat  
President
