You are cordially invited
to attend our annual
GOLF TOURNAMENT

Benefiting the ASCE Sacramento Section
Alfred R. Golze Scholarship Fund

The Alfred R. Golze Scholarship Fund assists the most deserving, active, and promising ASCE student chapter members with their educational goals. With the rapidly escalating costs for tuition, fees, and books, paying for an engineering education today is a far greater challenge. This financial burden is poignantly illustrated in a recent study of the California State University system that found 20% of enrolled students are food insecure, and %10 are homeless. Your generous financial support allows the school committee to award numerous significant scholarships to deserving students at each of the four ASCE student chapters in our section: California State University Chico, California State University Sacramento, University of California Davis, University of the Pacific.
